

About Us

Mission

Trans Support NL is a non-profit organization that aims to improve the experiences of trans, non-binary, Two-Spirit, and gender diverse folks in NL through advocacy, peer support, resources, community building, as well as awareness and inclusion training for service providers.

Vision

We envision a province where Two-Spirit, trans, non-binary, and gender diverse folks have access to necessary support, resources, medical and social care. We see a Newfoundland and Labrador where everyone feels safe and celebrated in their gender identity.
